

Friends School of Wilmington Enrichment

April 4, 2019 - May 31, 2019

Friends School of Wilmington extends the academic day, offering a variety of activities after school. Programs range and change quarterly, allowing students to discover their potential, build confidence and connect with others outside a classroom setting. We are thrilled to offer Science Olympiad and field a team for competition in February 2019. More details to follow! CARE is available after enrichment activities. Cost per activity is \$125 per quarter, unless noted and will take place on the Peiffer Campus, unless otherwise indicated.

TUESDAY

Piano with Clara, 3-4:30 p.m., \$25 per half hour, K-8th grade

Beginner to advanced pianists will develop musicianship. Learn scales, chords, arpeggios and to read (and play!) Music. Email Tracy at tracyt@fsow.org to schedule your session.

WEDNESDAY
