

Drawing/Writing Sample

To be completed by applicants ages 4 through 2nd Grade.
(Applicants younger than 4 years of age may disregard this portion of the application)

Friends School of Wilmington requests a sample of student work (drawing/writing) to include in the application materials. Students may use the space below to draw a picture and then write a caption or story (if able). Imaginative drawing and story telling are encouraged! If students have difficulty getting started, you might suggest that they illustrate a scene from a family vacation or a favorite book or movie.
